"Cathy Sexton is truly a "Productivity Expert!" She recently spoke at our event and did an excellent job. She is very knowledgeable about productivity and time management. Her presentation "I.G.N.I.T.E. Your Performance" was informative and compelling, leaving the audience with both easy-to-implement tips and tricks as well as long-range productivity goals. The topic was well-received and we would be honored to have Cathy back in the future". ~ Angela Lorenz – Lemay COC

Cathy Sexton has been a productivity strategist, trainer and coach since 2003, helping others live healthy, productive lives!

She knows the health risks of being a workaholic — she has lived it. Through coaching, training, and tools, she now shows people how to spend more time with family, enjoy their careers and live a less-stressed and more carefree life.

Offering organizational and productivity skill training to business leaders and work groups, Cathy works with people who feel overwhelmed, work way too many hours, and see their days spinning out of control.

She helps her clients regain clarity and focus, allowing them to become more productive so they can make more money and work less hours.

Discover your "Natural Productivity Style" — learn to save time, money and energy as you ignite your productivity and accelerate your results.
